## AN EVENING FOR MILAN LASICA

Host Pavol Danišovič and his guests present an evening dedicated to the work of Milan Lasica. The legendary Slovak actor, comedian, writer, lyricist and singer – to name only a few of his many pursuits – was also Art Film Fest's president. Songs featuring

Lasica's lyrics will be performed by well-known figures, backed by an excellent band brought together by famed Slovak drummer Martin Valihora. The evening will also include personal stories, readings and memories of the luminary Lasica's life and work. So far, actor Ady Hajdu, actress/musician Dorota Nvotová, actress Natália Puklušová and jazz singer Peter Lipa have confirmed their attendance, along with the original musical duo Dominika Kavaschová and Andrea Bučko, who have even prepared special versions of songs using Lasica's lyrics. The evening will undoubtedly include even more guests, who will not only sing, but also reminisce – how else? – with a generous dose of humour.

## HONORARY AWARDS

Béla Tarr

**Béla Tarr**, one of Hungary's best-known and most internationally acclaimed filmmakers, will receive the Art Film Fest **Golden Camera** in Košice. Two of his iconic films will be screened at the festival. The first will be a seven-and-a-half-hour-long magnum opus called *Satanic Tango* from 1994, based on László Krasznahorkai's novel of the same name. The length of the film alone will make this screening a unique festival event in its own right. The second will be Werckmeister's *Harmonies* from 2000, also based on the same writer. Both films have been screened in restored 4K form at the prestigious Berlin and Toronto film festivals in recent years. "In cooperation with the Brak publishing house, the first Slovak translation of the novel *Satanic Tango* will be opened during the festival on 20 June in the Artforum bookstore in Košice, with the personal participation of the director. We are also preparing an author's masterclass presented by Béla Tarr," says **Martin Palúch**, artistic director of festival.

**Zdena Studenková**, one of the most popular Slovak actresses, will receive Actor's Mission award. Most popular movies in her career are *Beauty And The Beast* (Juraj Herz), Czech comedy of the century *I Enjoy The World with You* (Marie

Poledňáková), *The Southern Post Office* (Stanislav Pármický), *Private Lives* (Dušan Hanák), *Everything I Like* (Martin Šulík) and many others. She chose the period musical comedy *Angel Devil* (Václav Matějka) for screening at the festival. She said: "I would like the audience to come to the cinema to have fun and forget about the everyday worries that the time brings."

Zdena Studenková

Czech actress **Eva Holubová** will also receive Actor's Mission Award. She chose the cult Czech comedy *Cosy Dens* (Jan Hřebejk) from her filmography.

## St. Elizabeth's Cathedral

The construction of St. Elizabeth's Cathedral lasted over hundred years (the close of the 14th century – the start of the 16th century).

It is the easternmost cathedral in Western Gothic style and the biggest church in Slovakia. There used to be one smaller church in the place of the cathedral before. Because of the city's expansion and after the fire a new church construction was started, in a very interesting way. They built the circumferential walls at first, then they demolished the original church and built the roof of the new one. The cathedral is dissymmetrical, because when the construction was to be completed, there was not enough money to finish the southern tower. A sundial from 1477 has been preserved next to the southern tower, above a Gothic window. St. Elizabeth of Hungary became the patron of the church, who lived in the 13th century and although she was noble, she would help the poor. We can find her statue with a spoon in her hand on the right hand side on the main and the most precious altar from 1474 - 1477. On the altar wings there are scenes from her life. The altar can be shut twice. Closing it first time, next pictures appear, showing scenes from the life of Jesus Christ. After closing the altar a second time, we can see the picture from a cycle about the Virgin Mary. In total the altar contains 48 pictures painted under the influence of the Dutch painting school. A 16-metre high pastoforium on the left hand side of the altar is a Gothic stone jewel. There are several wall paintings from the 15th century in the cathedral and a bronze baptismal font, apparently from the former church. The only double Gothic spiral staircase in Europe leads to the emperor balcony on the right in the cathedral. Opposite there is a mausoleum of the leader of the biggest anti-Habsburg uprising – Francis Rákóczi II.

## The National Theatre of Košice

Hlavná Street

The history of stage-craft in Košice has had tradition longer than 600 years. The present National Theatre was built more than 100 years ago and it took just two years to build it.

Adolf Lang – one of the most talented European architects of 19th century, who projected some buildings in Budapest and taught at universities in Vienna, Romania and Holland as well-became entrusted with the construction. It is built in the style of eclecticism with elements of Neo-baroque style and secession. The interior is richly decorated with plaster ornaments, the stage is lyre-shaped. The ceiling of the building is decorated with scenes from William Shakespeare's

tragedies Othello, Romeo and Juliet, King Lear and A Midsummer Night's Dream. The reconstruction of the building was needed in the 90's and after that the theatre was included among the most beautiful theatre buildings in Europe.

## Palace of Art

Moyzesova Street

The first synagogue of Jewish Košice originated in 1886 and was named Status Quo. Orthodox Jews did not like it because it was in the neo-gothic style and therefore they built their own synagogue next to it. Both these buildings were replaced in 1927 by one big neolog synagogue designed in oriental style by Ludovít Kozma. After the WWII it was modified in the style of socialist realism into the House of Arts (Dom umenia), the seat of the Slovak State Philharmonic Košice.

### Calvinist church Hrnčiarska Street

This Calvinist church was built on the place of former medieval city gate in fortifications called Maľovaná (decorated). Its tower was situated exactly instead

of it. The church started to be built in 1805 and was consecrated in 1811. At that time it was lacking the tower which was built in two parts, in 1853 and in 1895 when the metal cock was placed there as a symbol used since the 16th century when Calvinists owned the Cathedral in Košice. The neo-Romanesque architecture of the church is very simple.

### Jakab's palace Mlynská Street

Romantic city palace was built in Pseudogothic style by rich brick baron from Košice - Peter Jakab in 1903. In 1945 when Košice was a capital city for a short period of time Czechoslovak president Eduard Beneš was living here. Today, palace is used by city representatives for representative purposes.

### Mikluš's Prison

Pri Miklušovej väznici Street

Open: Tuesday - Sunday 9:00-17:00

Near Hlavná Street, in the historical centre of the town, one can find two buildings belonging to the so called Miklus prison. Both are from the first half of the 15th century. Later in that century one more floor was added to the corner house and according to the ceramic material and artefacts, a potter workshop was there since the 16th century. At the beginning of the 17th century, both houses were united and reconstructed to serve as a town prison and torture chamber. From the year 1872, when jurisdiction was separated from the Town council, the building was a prison of the town police until 1909. Two years later it was given to the museum as stock.

The objects were fully reconstructed in 1940-1942. The East Slovakian Museum created an exposition "The Centuries of Kosice" connected with the history of the town and also the building.

## University church

Hlavná Street

Formerly Jesuitic and today Premonstratensian church was built in 1681 in the place of former royal house where soldiers of Bethlen had tortured three Latin priests to death in September in 1619. Priests were later sainted as became martyrs of the city. Architecture of the Church represents combination of Renaissance and Baroque style.

## St. Michael's chapel

Hlavná Street

On the south side of the Cathedral of St. Elizabeth you can find gothic St. Michael's Chapel, devoted to the soul guide to the afterworld – Archangel Michael. Chapel, built in 1330, stays on the place of former cemetery. Lower building of the Chapel was initially used as a charnel house (for bone relics excavated during cemetery digging for new graves). Upper building was used for requiems. Above the entrance you can see sculpture of Archangel Michael weighing the souls of the dead. Inside the Chapel there is St. Michael the patron of the dead displayed on the altar fighting the Satan-Dragon. You can also find a nice stone tabernacle, „ecce homo“ sculpture and relics of medieval wall paintings there. Above the doors to the Sacristy the oldest heraldry of Košice is located. In the Chapel's walls you can see 18 grave-stones from Cathedral and former cemetery embedded. Unique in Slovakia!

## Municipal Coat of Arms

### The oldest coat of arms in Europe

When King Louis the Great of Anjou issued a document, awarding the city the privilege to use its own coat of arms in the castle Diósgyőri on May 7, 1369, he did not expect to create such a complicated heraldic situation for his successors. The coat of arms of Košice went through a very interesting development. When creating it, Louis used the royal and Anjou coats of arms. He added the upper blue field with the three golden lilies to the four horizontal silver cross-bars in the red field. However, he did not solve the appearance of the jewel and covers. The city solved it itself, by means of their imagination and used a person of an angel, the shield-carrier. Only after 55 years the coat of arms was modified to reach this appearance officially, by Emperor Sigismund of Luxembourg, who issued a normal official document certifying the coat of arms, in Bratislava on January 31, 1423. The angel holding the coat of arms shield had beautiful red clothes, which were replaced with light blue by King Ladislaus Posthumus thirty years later, on February 7, 1453.

# Urban-Cafe

## Slovak tradition with a trendy touch.

Only a few metres from the Hlavná street in a tiny alley, it is a place worth a stop for anyone who appreciates the quality of self-made desserts and ice cream.

The Urban Cafe concept combines fine belgian chocolate and local tradition. It offers both rich, creamy and light,

refreshing desserts, for example in a combination of cottage cheese and apples.

Here you can taste a traditional Slovak specialty, i.e. processed sheep cheese called bryndza in

a combination with belgian waffle. It is also possible to taste bryndza in ice cream, which you would look for in vain elsewhere.

Among dozens of types of ice cream you will also find five variations of chocolate ice cream. Also

quality coffee and wide range of tea are for granted. You can

also buy gifts for friends from Urban Cafe, for example in the form of belgian pralines in a box with motifs of Kosice monuments.

### Urban-Cafe definitely to put on the „to do list“!

## HIGH TATRAS - VYSOKÉ TATRY

Paradise on Earth - Peace of Soul

Only hour drive  
from Košice

High Tatras with the highest peak – Gerlach's peak (2.655 metres above sea level), 24 km long mountain chain and 32 valleys are truthfully called "the smallest great mountains in the world". It offers more than 600 km of marked nature trails since early spring with scent of the awakening nature until the colourful autumn with typical weather of Indian summer.

Alpine hiking has in itself the power of nature and oasis of silence and peace. High Tatras are also the mountain villages and hamlets, which together create the town High Tatras spread on the area of 380 km<sup>2</sup>. Many villages and hamlets are the starting point to Tatra valleys, in which you can enjoy the fresh Tatra air. You can follow the nature trail through saddles of alpine crossings even to adrenalin and soul calming climbs to accessible and open Tatra peaks. High Tatras, it is also constructed transport infrastructure – the airport at foothills, railway and tramline transport or road system. Across the territory of Tatras there goes the well-known Passage of freedom.

You can be driven even to alpine environment comfortably. You can come to Hrebienok by land funicular train or, to the second highest Tatra peak - 2 634 m high Lomnický peak by aerial cableway.

### DISCOVER THE BEAUTY OF TATRA NATURE

In the territory of High Tatras there is situated the oldest national park in Slovakia – Tatra National Park (TAN-AP), where since 1949 the efforts and attempts have continued to preserve and protect the rich and unrepeatable Tatra's fauna and flora. You can view variety of Tatra territory in the concentrated form in the TAN-AP Museum in Tatranská Lomnica. Don't forget to visit the Exposition of Tatra flora. Botanical garden in closeness of the museum offers 270 types of plants during the growing season.

### TATRAS WITHOUT BORDERS

After accession of Slovakia to the Schengen Union, it is possible, except the time of closure of alpine hiking trails, from June 15 to October 30, to cross Slovak-Polish borders also at all points, where these trails meet at the common border.

#### FASCINATION AND MAGIC OF ALPINE CHALETs

Thanks to the most well-known natural trail - 46 km long Artery pathway leading across the whole alpine territory of Tatras, starting at Podbanské and ending at Biele pleso (White Tarn) in Belianske Tatras, you can get also to 12 unique, for tourists attractive, and appealing alpine chalets, which are open all year round. What kind of trip would it be if you didn't find time for a little rest. You can encounter an amazing sight from chalets to Tatra valleys filled with sunshine. Feel the beauty of nature deeply, forget everyday troubles and problems and enjoy the sip of hot Tatra tea in one of the chalets. A trip from Hrebienok to Zamkovského chata is a good tip for an undemanding alpine walk. You can get to Hrebienok from Starý Smokovec by the new rail cableway and further you continue walking for less than an hour, following the red tourist signs, towards Zamkovského chata. On the route you can visit picturesque Bilíkova chata or stop at Rainerova chata, which is the oldest cottage offering accommodation in High Tatras and, at the same time, there is also a minimuseum of Tatra sherpas. In the second part of your tour, you will admire the lure and power of Obrovský vodopád (Huge waterfall) and in the end, you will be rewarded with a wonderful view of Velká and Malá Studená Dolina (valleys).

#### FUN AND ADRENALIN

If you want to enjoy the adrenaline from a joyride on biking tracks, do not hesitate and come to Dolný Smokovec. You can enjoy speed riding mountain scooters or experience the fast ride on roller coasters. If you still think it is not enough, try Bungee-jumping from Jumping-off point at Štrbské
